Screenshot of Microsoft Planner charts

The screenshot displays the Microsoft Planner application in the "Charts" view for a plan titled "Loyalty customer program". The left sidebar shows navigation options like "New plan", "Planner hub", and "My tasks", along with a list of recent plans.

The main content area features two charts:

- Status Chart:** A donut chart showing the distribution of task statuses. It indicates 3 tasks left. A legend below shows: Not started (1), In progress (2), Late (0), and Completed (3).
- Bucket Chart:** A bar chart showing the number of tasks in different buckets. The "To do" bucket has 3 tasks, and the "Implement" bucket has 0 tasks.

On the right side, there is a "Tasks" panel with an "Add task" button and a list of tasks. The tasks listed are:

- using Gis to product location finding (Status: Green, Due: 09/30)
- Access the trolley by using RFID card and RFID tag (Status: Green)

Each task entry includes a status indicator (Green or Red), a due date, and the assigned user's profile picture and name (S Nilaxshan it17037648).
